## LED Light

**\$99.00 Inc GST**

New 10W USB rechargeable Intex worklight. Waterproof with battery indicator and strong folding magnetic base

## Maxbond Bonus Pack

Max Bond™ Original is a premium grade, synthetic, rubber based multipurpose construction adhesive. Ideal for bonding most common construction materials such as metal, timber and concrete. Key benefits include:  
Bridges gaps, effective when used on uneven surfaces  
Reduced squeaking associated with nail ride in floors  
Repositionable for up to 20 minutes after application  
Water resistant, high bond strength

**\$88.00 Inc GST each  
(20 pack including bonus tube and free bucket)**

## Soudal SMX25

Replacing SMX35, SMX25 is a high quality, neutral, elastic, 1 component joint sealant based on SMX-Polymer. It exhibits excellent, primerless adhesion to common building materials, stays elastic after curing, can be painted over and has good weather and UV resistance. In comparison to SMX35, it is less prone to sag in vertical applications, and is easier to extrude, even in cold weather.

## Soudal SMX30PLUS

SMX-30PLUS is a solvent and water-free universal parquet adhesive suitable for bonding many types of timber overlay floor onto suitable indoor substrates. It is a high performance and safe alternative to traditional polyurethane based overlay flooring adhesives.
